Hosting Your Own Watch Party

CONGRATULATIONS! You’re hosting an in-person watch party for Saving Lives for 30 Years: Youth ALIVE!’s Annual Fundraiser, which will be virtual once again this year! THANK YOU! The event will be held on Sunday, September 19th from 4-5PM. Please note: the streaming program begins promptly at 4pm, so you will likely want to invite your guests over earlier so that everyone is settled and ready to watch by 4pm.

The Goodies: What You Get for Hosting!

- A Watch Party Gift Basket (note: gift baskets will be available for pick-up from Youth ALIVE!’s office on September 16th & 17th.) **This will include:**

Some Tips: We know your party will be great!

- **We want to know you’re hosting!** Please be sure to register as a Watch Party Host with Lauren Greenberg, Youth ALIVE!’s Development Manager, who can be reached at lgreenberg@youthalive.org or (510) 333-5620.
- You’re willing to invite at least 10 people from your network (friends, family, neighbors, customers, colleagues etc.) and have the capacity to host them at either your home, business, or other location during Youth ALIVE!’s 30th Anniversary Fundraiser.
• You have the ability to stream Youth ALIVE!’s virtual fundraiser so that your guests can view the program, which will be streaming over zoom this year. This means you can stream the program on a larger screen like a TV or projector, either with an HDMI cable or other method. Of course, you’re welcome to all gather around a laptop (or multiple) or personal computer.
• You have reliable internet connection/WiFi
• You commit to registering each of your guests for YA!’s fundraiser and encourage your guests to donate to Youth ALIVE!.
• You commit to displaying fundraiser sponsorship info at your hosting location (this will be an upright piece of collateral that can be displayed on a table top or bar).

Thank you for being a part of Youth ALIVE!. We couldn’t do it without you!
